

## FREQUENTLY ASKED QUESTIONS FOR WEST BOUNTIFUL WATER USERS

### **Can I use culinary (drinking water) for outside watering?**

Culinary water can be used for outside watering only by residents who do not have secondary irrigation from Weber Basin Conservancy District. For more information, [click here](#).

### **Can I connect my culinary (drinking) water line to my irrigation system?**

Residents who live in the service area of an irrigation district or have a connection to an irrigation district cannot connect an irrigation system to their culinary water service.

Residents who do not have access to irrigation water may only connect their irrigation system to their culinary water service under specific conditions. Contact the West Bountiful Water Department for more information at 801-292-4486 or [info@wbcity.org](mailto:info@wbcity.org).

### **Are the watering restrictions the same for culinary water users and irrigation water users?**

The restrictions may be slightly different depending on who provides your irrigation water service. For example, Weber Basin Conservancy District has implemented drought watering restrictions that vary depending on whether the secondary water is metered or non-metered. Unmetered customers are assigned a specific day of the week to water based on house number. See [WBWCD Restrictions](#) for more information. If you do not have access to irrigation water service, West Bountiful City water restrictions apply. See [WBC Restrictions](#).

### **Who will be enforcing the watering restrictions?**

Each irrigation service provider will enforce the watering restrictions in their service area.

### **Should I report an address if it is being overwatered?**

Water conservation is a community effort that requires individual participation. The more who participate, the greater the benefit to our community.

### **If I decide to report overwatering, who should I report it to?**

Each irrigation provider has a mechanism to report violations. See the website for each provider for their preferred procedure. Reports to West Bountiful City can be emailed to [info@wbcity.org](mailto:info@wbcity.org) and should include the contact information of the party filing the complaint.

### **What details should I include in the report?**

If you decide to file a report, please include the date, time, address, reporter's contact info including phone number and email address and a photo of the violation.
