

2022 WEST BOUNTIFUL DRINKING WATER RESTRICTIONS

The Mayor and City Council have declared a water scarcity event and have implemented the following conservation regulations for residential areas within the West Bountiful City limits to be implemented by the Public Works Director and City Administrator from May 4, 2022, to April 15, 2023:

- Outdoor use of culinary (drinking) water is restricted as follows:
 1. Use of culinary water for outdoor watering is prohibited where irrigation water is provided by a third-party service district such as Weber Basin Conservancy District.
 2. No daytime watering between 10:00 am and 6:00 pm.
 3. Landscaping on residential properties that do not have a connection to irrigation water provided by a third party may use culinary water as follows (excluding vegetable gardens): Zone run times may be set to run no longer than 40 minutes per zone per week for pop-up style sprinkler heads and 80 minutes per zone per week for rotary style sprinkler heads.
 4. Hand watering is allowed two times per week, with a maximum flow rate of 5 gallons per minute, for established trees and shrubs. The hose shall not be left unattended during this time and shall not be connected to a sprinkler head.
 5. Watering of newly installed landscaping shall comply with the limitations set forth in these regulations.
 6. Rinsing or washing of sidewalks, driveways, patios, or other impervious surfaces is not permitted.
 7. West Bountiful Parks and City facilities are permitted to water as necessary to provide outdoor facilities which can be enjoyed by the community in general and to protect the public investment in said facilities

- In addition to and in conjunction with all regulations contained in the West Bountiful Municipal Code, City Staff is authorized to enforce the above noted regulations as follows:
 1. First Offense – Written warning.
 2. Second Offense - \$100 fine added to the utility bill.
 3. Third Offense - \$250 fine added to the utility bill.
 4. Fourth Offense - \$500 fine added to the utility bill.

5. Fifth Offense – Culinary water service terminated pending payment of a \$1,000 fine. Account holder shall also be responsible for any disconnection and reconnection fees.
 6. An additional fine of \$500 for any of the following actions:
 - a. Connecting a West Bountiful City culinary water service to a residential irrigation system where the property is served by a third-party irrigation provider without written authorization of the Public Works Director.
 - b. Connecting a West Bountiful City residential culinary water service to a residential irrigation system where the property is ONLY served by West Bountiful City’s culinary water system without a backflow prevention device and written authorization from the Public Works Director.
 - c. Placing into service an existing or new backflow prevention device which has not been tested by a certified backflow technician and for which a report has not been submitted to the West Bountiful City Water Department.
- For properties that receive irrigation water through a connection to Lakeside Golf Course, the following restrictions are in place:
 1. All restrictions and regulations published by Weber Basin Water Conservancy District for unmetered connections must be followed.
 2. Staff is authorized to enforce the above noted regulations as follows:
 - a. First Offense – Written warning.
 - b. Second Offense – Connection suspended for 1 week.
 - c. Third Offense – Connection suspended for 2 weeks.
 - d. Fourth Offense – Connection suspended for 2022 season.
